Injury Data and Accident Prevention (Dairy)

Injury Data and Accident Prevention (Tree Fruit)

Injuries in Dairy from 2009-2017

Top 3 sources of injury representing 50% of total claims

Source of Injury	Number of Claims	Percent of Total Claims (%)	Days Paid	Total Cost	Claims Rate (per 100 FTE)
CATTLE	1265	34%	41879	11,132K \$	3.81
BODILY MOTION OR	286	8%	17362	4,473K \$	0.86
POSITION OF					
INJURED, ILL					
WORKER					
FLOORS, WALKWAYS,	256	7%	26617	6,184K \$	0.77
GROUND SURFACES,					
UNSPECIFIED					

Training Intervention

ON-FARM TRAINING

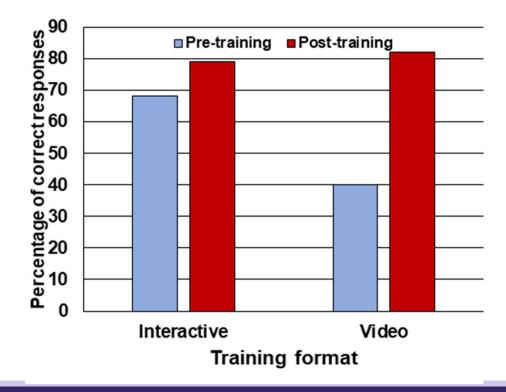

We recruited workers at 3 WA dairies to participate in either a PNASH designed interactive dairy training or a previously designed video-based training.

Both trainings were offered in Spanish and inperson.

We trained a total of 162 workers

On-farm activities were limited after COVID-19

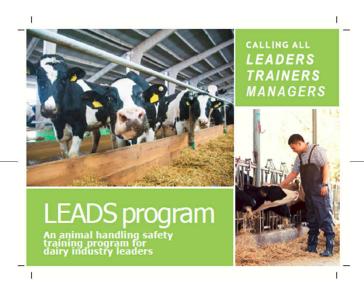

No statistical difference in improvement by training type, although both groups showed significant improvement.

Animal Related Injuries in Dairy from 2009-2017

Top 3 body parts injured

Body Part Injured	Number of Claims	Percent of Cattle Related Claims (%)	Days Paid	Total Cost	Claims Rate (per 100 FTE)
HAND(S), FINGERS &	Ciamis	(70)	Daystala	Total Cost	(per 100 1 12)
FINGERNAILS	248	20%	5375	1,160K \$	0.74
CHEST, EXCEPT	124	10%	817	373K \$	0.37

LEADS Training

Leaders Enabling Advanced Dairy Safety (LEADS)

- Specialized training for W A dairy managers and owners
- FREE safety and leadership training (English and Spanish)
- Identifies top 4 most common cattle-related injuries
- Offers training on how to prevent those injuries
- Certificate of completion offered

Dairy Safety Toolkit

https://deohs.washington.edu/pnash/dairysafetytoolkit

Module Topics

- 1. Accident Prevention Program (APP)
- 2. Safety Meetings
- 3. Slips, Trips, and Falls
- 4. Animal Handling
- 5. FARM Program
- 6. Hazard Walkthrough
- 7. Preventing Sexual Harassment in Agriculture
- 8. Heat Tool Kit
- 9. Covid-19
- 10. Chemical Hazards
- 11. Confined Spaces
- 12. Near Misses on the Farm

The Dairy Safety Toolkit (DSK) is an online learning platform for producers, workers, and supervisors. It includes 12 safety modules on safety topics including, animal handling, slips, trips, and falls, chemical hazards, and more.

Free Online Safety Training & Resources!

How to Use it

The DSK provides training and resources for producers and farm leadership involved workplace safety. It prepares participants to deliver safety trainings and shares key resources. You can download and print materials to share at your next safety meeting. Or you can simply access links to reliable websites.

What is Included in the Kit?

- · Downloadable videos
- · PowerPoint slides
- Factsheets & posters
- Discussion boardsTools for conducting safety meetings
- · Links to top dairy safety resources
- Spanish modules (coming soon)

PNASH Resources

Visit the PNASH website for more:

- · Heat Illness Prevention
- Pesticide Safety
- Sexual Harassment Prevention

Register for the Kit

Learn at your own pace! Visit our website for a quick preview, then register to get free access to the entire DSK and associated training tools and activities:
